

## Cultural Collaborations Access Grant

A program of the Alaska State Council on the Arts | Guidelines and Application

### Grant Guidelines Overview

- Cultural Collaborations Access Grants are a program of the Alaska State Council on the Arts, with funding support from Rasmuson Foundation.
- Access Grant Funds are to be used for short-term (generally, a week or less), in-school arts and cultural activities, during the regular school day and including artists as presenters and educators.
- Any public or private nonprofit school, district or partner 501(c)3 non-profit arts organization in Alaska may apply for and receive funds to support an Access Grant activity; grants will be limited to one grant, per school or organization, per school year.
- The maximum Access Grant award will be \$1,000.00; Access Grants do not require a match.
- Access Grant funds may be used for direct costs of the proposed project including artist fees, supplies, rehearsal space, facility rent, etc.
- Access Grant funds may not be used to supplant resources in existing programs, for instructor salaries, re-granting, scholarships or tuition assistance, prizes or awards or for fundraising or benefit activities.

### Grant Selection Criteria

- Artistic quality and/or cultural value of the proposed project
- Level of involvement of all partners in planning the proposed project
- Number of students served
- Degree to which the project enhances the school district's written arts curriculum or the Department of Education and Early Development (DEED) Alaska Arts Standards. Alaska Arts Standards available at <https://education.alaska.gov/standards/arts>.
- Completion of previous grant award requirements
- Complete and signed grant application forms.

### Other Requirements

- Cultural Collaboration Access Grants are not exclusive of applications for funding through the other Cultural Collaborations grant programs (Excursion, Project), nor of any other arts education grant program operated by the Alaska State Council on the Arts. There may be conditions on applications to multiple grant programs; contact the Alaska State Council on the Arts for guidance if you plan to apply in multiple grant categories.
- Grant recipients must submit a final report that includes a description of what students saw/and experienced, how many students participated, the students reactions and perceived outcomes and how the grant funds are spent.
- Grant payments will be made after a signed grant award agreement has been returned by the award recipient, to the Alaska State Council on the Arts.

### Grant Deadlines

Excursion Grant applications must be submitted to the Alaska State Council on the Arts at least 30 days prior to the planned activity. Applications are generally reviewed and award determinations made no longer than 10 days following the receipt of application.
